

**THE UNIVERSITY of TEXAS**  
HEALTH SCIENCE CENTER  
AT HOUSTON

**Fisher Scientific**

UT Health Science Center at Houston  
welcomes  
**Fisher Scientific**  
as  
**Preferred Supplier**  
for distribution of laboratory supplies.

**Advantages for our Research Laboratories**

- Guaranteed lowest price for all UT institutions
  - Caps on future price increases
- No charges for freight, hazardous material, dry ice
  - Same pricing applies to UT Supply Mall
  - No need to bid orders over \$5,000

*The UT Supply Chain Alliance has negotiated a contract with Fisher Scientific that covers the distribution of laboratory supplies to all UT institutions. Lower, standardized pricing on Fisher Scientific products will become effective November 1, 2007.*

**Sample Price Comparisons:**

		Old Price	New Price	Savings
	Micro Centrifuge Tubes Item #05408129	\$13.50 500/Pk	\$7.72 500/Pk	43%
	Latex Gloves W/Aloe Item #19050548B	\$7.56 100/Pk	\$5.79 100/Pk	23%
	Vacuum Filter Units Item #SCGP00525	\$100.00 25/Pk	\$70.28 25/Pk	30%

**Questions:**

How do I get the new pricing?	Fisher will update pricing on all web sites used for ordering.
Is there still a "hot shot" charge?	Yes, a service fee of \$10 applies to "hot shot" orders.
Is the price the same in the UT Supply Mall?	Yes
When are the new prices effective?	November 1, 2007
Do I have to buy from Fisher?	No. However, the contract should provide the lowest price in most cases.
If I need to place and order for over \$5,000 of Fisher products do I need to write a sole source justification?	No. This contract was competitively bid and we can write orders of any amount against the contract.
