

Company History:

Flowers & Co was established in 1986 in Houston as a family owned and operated florist and remains under the same management today. The business grew to specialize in serving corporate accounts by delivering personal service and always producing creative floral designs in the best of taste and with the finest flowers. Flowers & Co is recognized for being ranked as one of the Top 100 florists in the nation by Teleflora.

As a “Corporate Specialist”, we take pride in handling our accounts by offering personalized account profiles, working within budgeted guidelines and streamlined billing. We offer easy on-line ordering as well as customer service associates available to answer your calls 24/7. We deliver across town and across the nation!

Products/Services:

Seasonal Fresh Floral Designs, Roses, Green and Blooming Plants, Fruit, Snack and Gourmet Baskets, Tropical Style, Wedding and Special Event Work, as well as Sympathy Design
